Important Questions	Answers		Why This Matters:
What is the overall deductible?	MEDICAL $2,500 / Individual or $5,000 / Family	PHARMACY $1,000 / Individual or $2,000 / Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. Care Coordination is available to assist in finding lower-cost providers.
Are there services covered before you meet your deductible?	Yes. In-Network Preventive care is covered before you meet your deductible.		This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No		You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	MEDICAL $5,100 / Individual or $10,500 / Family	PHARMACY $1,200 / Individual or $2,100 / Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, services not covered by this plan, fees above RBP rates and/or UCR rates.		Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Not Applicable		This plan does not use a provider network. You can receive covered services from any provider. Care Coordination is available to assist in finding lower-cost providers.
Do you need a referral to see a specialist?	No		You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
Copayment for office visits apply to visits only. In-office procedures may not be covered.
All covered services are paid at 150% of Medicare reimbursement rates (RBP). In the absence of a Medicare rate the plan will pay UCR.
